Preface

This publication presents information on the caseloads of the Supreme, District and Surrogate Courts, and the Sheriff offices. It is produced each quarter, with the information presented on a year to date basis.

Each month the Local Registrars, Crown Attorneys and Sheriffs submit statistical forms to the Information Centre which include such information as proceedings initiated, cases disposed from trial lists and the length of time these cases have been on the trial lists. Also, included for comparison purposes, are charts illustrating the caseload data for the same months during 1983/84 and 1984/85.

Please contact us if there are any questions and/or comments regarding any of the data in this report.
